

HOUE

HOUE is a Danish design house founded in 2007. We combine great comfort and design in our work. Therefore, we always put a lot of effort into our product development striving to meet a high standard of craftsmanship.

Our products are manufactured only on well-established factories with whom we have worked closely for several years. Our products are not random mass production – every detail, joint or component in our furniture is thoroughly chosen or invented by our experienced HOUE team to make a unique product.

SIKO LOUNGE CHAIR

The image features three SPÄN Lounge Chairs against a plain white background. One chair is in the center, upholstered in brown leather with a light-colored wooden frame. To its right is a black version with a black frame. On the left, a portion of a third chair with a tan-colored seat and backrest and a light wood frame is visible. The chairs have a distinctive Y-shaped frame and a curved, upholstered backrest.
